TANZANIA NATIONAL SPELLING BEE 2017 COMPETITION

EXTERNAL PARTICIPANTS GUIDE.

The Tanzania National Spelling Bee 2017 Competition allows for participants other than those directly from Schools to be part of it, These participants are called **External Participants**; These students can register individually in the form provided on our website under the "External Participants". Rules and procedures guidance for the competition with respect to the External Participants remain the same as other participants and can be found on the website www.coconutfoundation.or.tz

After the registrations are complete and closed dates will be set for training sessions whereby shortly after commencing the trainings we will have several small competitions running to determine the capability of the registered spellers.

Teams will be set so as to allow the spellers to work in a team related environment. Also, materials will be provided so as to help them learn even when they are at home. The registered spellers will join with the candidates from various schools in Tanzania so as to participate in the final competition in August 2017 whereby the winners will participate in The East Africa Spelling Bee Competition in December 2017 which be held in Nairobi, Kenya.

External participants will be required to pay **Tsh. 200,000/=** per participant as Competition Registration fee.

COCONUT FOUNDATION will take full responsibility on provision of Competition Training to all External Participants prior to the preliminary rounds of the competition in order to get them accustomed to Competition rules and procedures. These trainings are projected to take place once a week (preferably on weekends). Further information on the Time and Location of the Trainings will be provided to Parents and Guardians after the Registration Process is closed
